Dear Applicant,

Thank you for your interest in the Public Safety Dispatcher position.

Attached please find a detailed position description and an application. Please return the completed application, a resume and a cover letter to me at the above address no later than 5 p.m., Monday October 16<sup>th</sup>, 2017.

Also enclosed you will find a nine-page document entitled, "Integrity Questionnaire". Due to the sensitive nature of the questions, do not complete or submit the Integrity Questionnaire with your application package. It is provided to you as an example of the type questions you can expect if you advance to the polygraph examination stage of the hiring process. Recent convictions (other than minor or isolated traffic infractions), drug use or other illegal activity may be sufficient cause for disqualification.

Another copy of the Integrity Questionnaire will be provided to you for completion when and if appropriate.

I look forward to receiving your information.

Regards,

Brodie Hinckley  
Sagadahoc County  
Communications Director
